Segment Two:

Your Message

Learn a process for developing power and inspiration with your message. You will focus on opening and closing remarks as well as the persuasive and informative approaches to developing the body of your message for the audience. *(2 video recorded exercises)*

Segment Three:

Visual Aids

Further develop your leader presence using effective slide design techniques. You don't have to be a creative designer to create effective slides.

One-on-One Coaching:

Outside of the classroom each attendee will be given the opportunity to schedule time (Follow-up 3-hour session) with a professional coach. The coach will work one-on-one with you to target specific areas of interest for development.
