

SPONTANEOUS PRESENTATIONS

FOR BUSINESS PROFESSIONALS

Thinking on your feet is put into practice when you take this workshop based on Corporate Ovations!

DURATION - 1 DAY 2 VIDEO-RECORDED PRESENTATIONS

HOW YOU WILL BENEFIT...

Enhance your professional presence by working on the three key elements of leadership presence

Improve the audience's perception by aligning all three channels of your communication (visual, verbal, vocal) in your delivery

Select an appropriate structure for constructing the appeal to your audience's logic and feeling

Receive five proven models for constructing the body of your message to make it most appealing to your audience

Practice the Acknowledge, Repeat, Respond (ARR) method for responding to questions from your audience members

Practice using Responsive Acknowledgement to respond to the direct or tough audience questions

Rehearse and deliver two presentations and receive both peer feedback and professional coaching

COURSE TOPICS

DELIVER WITH PRESENCE

COURSE ACTIVITIES

PRACTICE EXECUTIVE PRESENCE

Using the three elements of executive presence and the three channels of communication, present your idea and receive feedback.

DEVELOP STRONG MESSAGE STRUCTURE

Each participant will develop their presentation using one of the five Quick-Start Models for presenting.

THINKING ON YOUR FEET

Students will practice applying the ARR response method for handling questions.

RESPONSIVE ACKNOWLEDGEMENT

Participants will respond to tough or direct questions from the audience.

DELIVER THE PRESENTATIONS

Presentations delivered are video recorded for students on SD cards for them to keep after the class.
